F. REALLOCATION

F.1. Reallocation of unused Quota Places

1. Unused team quota places (excluding host country places)

1.1 If an NOC does not confirm the NOC Certificate of Capability (as defined in the Appendix) by 10 January 2028 or informs the FEI, by 20 January 2028, that it is declining its team quota place, the team quota place(s) will be considered to be withdrawn and will be reallocated as follows:

- The team quota place(s) will be redistributed to the Composite Team(s) (as defined in paragraph 1.5 below and the Appendix), provided that the NOC(s) had the minimum three eligible combinations as of 31 December 2027. The NOC(s) of the Composite Team(s) will have a period of one week to confirm to the FEI that they accept the quota place. If the NOC does not confirm the quota place, paragraph 1.2 below applies.
- If an NOC has declined a team quota place by 20 January 2028 or has not confirmed the NOC Certificate of Capability by 10 January 2028, the NOC will not automatically be entitled to be allocated an individual quota place but will remain eligible to obtain one individual quota place through the FEI Dressage Olympic Rankings as per the method set out in D.1 above.

For the purpose of this process, the term "withdrawal" will mean either:

(i) Written notification by an NOC to the FEI that the NOC is declining its team quota place, or
(ii) If an NOC does not confirm its NOC Certificate of Capability (as defined in the Appendix) by the 10 January 2028 deadline.

1.2 If an NOC withdraws its team quota place after 20 January 2028 or does not submit a valid FEI Certificate of Capability by 12 June 2028, the following will apply:

(i) Where an NOC withdraws its team quota place after 20 January 2028 but on/before 11 June 2028:

(a) The team quota place(s) will be redistributed as a Composite Team(s) quota place to the NOC of the next highest ranked Composite Team not already qualified, provided that the NOC(s) had the minimum three eligible combinations as of 31 December 2027. That NOC will have a period of one week or until 23:59 (Lausanne time) on 12 June 2028 (whichever is earlier) to confirm to the FEI that it will accept the quota place. The NOC must submit the FEI Certificate of Capability to the FEI by 23:59 (Lausanne time) on 12 June 2028.

(b) If an NOC that is reallocated a quota place as per paragraph 1.2 (i) (a) above declines the quota place or does not confirm it by the applicable deadline (as set out above), the team quota place(s) will be further redistributed as a Composite Team(s) quota place to the NOC of the next highest ranked Composite Team not already qualified, provided that the NOC had the minimum three eligible combinations as of 31 December 2027. That NOC shall have a period of one week or until 12 June 2028 (whichever is earlier) to confirm to the FEI that it accepts the quota place. The NOC must submit the FEI Certificate of Capability to the FEI by 23:59 (Lausanne time) on 12 June 2028. If that NOC declines the quota place or does not confirm it by the applicable deadline (as set out above), no further reallocation to Composite Teams will take place, and paragraph 1.4 below will apply.

1.3 Where an NOC that has been (re)allocated a team quota place does not or cannot submit a valid FEI Certificate of Capability by 12 June 2028, paragraph 1.4 below will apply.

1.4 If the full quota of 15 teams has not been reached following the reallocation of team quota places as detailed above, the unused athlete quota places (three per team) will be reallocated to the NOCs as

individual quota places. These places will be allocated to the NOC of the next highest ranked athletes from the overall FEI Olympic Ranking – Dressage, excluding NOCs that have already accepted a team quota place and those that have already accepted an individual quota place, and provided that the NOC has at least one athlete/horse combination that fulfils the MER by the MER Deadline. The NOCs must each submit an FEI Certificate of Capability no later than one week after being informed of the allocation of the quota place or before 25 June 2028 (whichever is earlier), provided that all athlete/horse combinations on the FEI Certificate of Capability had achieved the MER by the MER Deadline of 11 June 2028.

1.5 Composite Team (see also the Appendix): A three-member team from an NOC. The Composite Team will be selected in accordance with the following process:

(i) the respective ranking points of each NOC's top three different athletes in the overall FEI Olympic Ranking – Dressage will be added together to give the cumulative ranking points;

(ii) the NOC with the highest cumulative ranking points will be awarded the redistributed quota place;

(iii) in the event of a tie (i.e. where the cumulative ranking points are the same), the redistributed quota place will be awarded to the NOC with the highest ranked athlete in the overall FEI Olympic Ranking - Dressage. In the event of a further tie, the redistributed quota place will be awarded to the NOC with the second highest ranked athlete in the overall FEI Olympic Ranking - Dressage, and so on. If the tie cannot be broken by following this process, the FEI will invite the NOCs/NFs concerned to a draw.

2. Unused Individual quota places

2.1 If an allocated individual quota place is not confirmed by the NOC or is declined by the NOC by the confirmation deadline, 8 February 2028, or an NOC that has been allocated an individual quota place declines its individual quota place on/after 8 February 2028 but before 11 June, the quota place will be reallocated as follows:

(i) If the unused individual quota place was earned through the 2027 Pan-American Games, the quota place will be reallocated to the NOC of the next highest placed athlete in the overall individual classification at the 2027 Pan-American Games, excluding NOCs already qualified. That NOC will have a period of one week or until 12 June 2028 (whichever is earlier) to confirm to the FEI that it will accept the quota place. The NOC must submit the FEI Certificate of Capability to the FEI by 23:59 (Lausanne time) on 12 June 2028.

If the NOC that is reallocated a quota place as per paragraph 2.1 (i) above declines the quota place or does not confirm it by the applicable deadline (as set out above), the quota place will be further redistributed through the overall FEI Olympic Rankings – Dressage. The relevant NOC will then have a period of one week or until 12 June 2028 (whichever is earlier) to confirm to the FEI that it will accept the quota place. The NOC must submit the FEI Certificate of Capability to the FEI by 23:59 (Lausanne time) on 12 June 2028.

(ii) If the unused quota place was earned through the FEI Olympic Group Ranking – Dressage for the FEI Olympic Groups FEI Olympic Groups A, B, C, F, G, D and/or E (combined), the quota place will be reallocated to the NOC of the next highest ranked athlete in the relevant FEI Olympic Ranking – Dressage from the relevant FEI Olympic Group(s) (with FEI Olympic Groups D and/or E considered as one combined group for this purpose). That NOC will then have one week or until 12 June 2028 (whichever is earlier) to confirm to the FEI that it will accept the quota place. The NOC must submit the FEI Certificate of Capability to the FEI by 23:59 (Lausanne time) on 12 June 2028.

(iii) If the quota place to be reallocated was originally allocated based on the overall FEI Olympic Ranking – Dressage, the quota place will be reallocated to the NOC of the next highest ranked athlete in the overall FEI Olympic Ranking – Dressage. That NOC will then have a period of one week or until 12 June 2028 (whichever is earlier) to confirm to the FEI that it will accept the quota place. The NOC must submit the FEI Certificate of Capability to the FEI by 23:59 (Lausanne time) on 12 June 2028.

(iv) If the NOC that is reallocated a quota place as per paragraph 2.1 (ii) or (iii) above declines the quota place or does not confirm it by the applicable deadline (as set out above), the quota place will be further redistributed through the overall FEI Olympic Rankings – Dressage. The relevant NOC will then have a period of one week or until 12 June 2028 (whichever is earlier) to confirm to the FEI that it will accept the quota place. The NOC must submit the FEI Certificate of Capability to the FEI by 23:59 (Lausanne time) on 12 June 2028.

2.2 If there is/are any unused or unallocated individual quota place(s) after 12 June 2028, this/these will be reallocated to the NOC(s) of the next highest ranked athlete(s) from the overall FEI Olympic Ranking Dressage (that has/have not already been allocated a quota place), subject to the following conditions:

(i) The relevant NOC(s) must have at least one athlete/horse combination that fulfilled the MER by the MER Deadline; and

(ii) The NOC(s) must submit a FEI Certificate of Capability no later than one week after being informed of the allocation of the quota place or before 25 June 2028 (whichever is earlier), provided that all athlete/horse combinations on the FEI Certificate of Capability had achieved the MER by the MER Deadline of 11 June 2028.

2.3 If the maximum quota of 60 athletes has not been reached following the reallocation of individual quota places as detailed above, any unused individual quota places will be reallocated to the NOC(s) of the next highest ranked athlete(s) on the overall FEI Olympic Ranking - Dressage, from an NOC that has already earned an individual quota place (maximum of two individual quota places per NOC) and subject to the NOC meeting the conditions set out in paragraph 2.2 (i) and (ii) above. Under no circumstances may the total number of athletes exceed 60.

2.4. No reallocations will be made by the FEI after the Sports Entries deadline has passed.

F.2. Reallocation of unused Host Country Places

If the Host Country is unable to field a team or decides to send one eligible athlete instead of a team, the unused athlete quota places will be reallocated to the NOCs of the highest ranked athletes (not already qualified) in the overall FEI Olympic Ranking–Dressage.
