By 6 July 2024 WWR will confirm in writing the reallocation of all unused team qualification slots.

By 13 July 2024 it is officially declared that the respective NPCs will use the allocated quota granted for the Paris 2024 Paralympic Games. Any NPC that does not use its allocated team qualification slot may be subject to sanctions by IPC and WWR.

**REALLOCATION OF UNUSED QUALIFICATION SLOTS**

Any team qualification slots allocated and not used by the respective NPC will be reallocated to the next highest placed NPC (not otherwise qualified) at the qualification event where it was obtained.

In the case that no eligible team is available for reallocation at the respective competition, or if the Host Country does not use its allocated slot, the unused slot will be reallocated to the highest ranked NPC (not otherwise qualified) on the WWR World Ranking list closing one week after the completion of the Paralympic Qualification Tournament.
