1.1 If an NOC does not confirm the NOC Certificate of Capability (as defined in the Appendix) by 8 January 2024 or informs the FEI, by 5 February 2024, that it declines its team quota place, the team quota place will be considered to be withdrawn and will be reallocated as follows:

firstly:

- (i) if the quota place to be reallocated was earned at the FEI Jumping World Championships 2022, the quota place will be awarded to the NOC of the next highest placed team at the FEI Jumping World Championships 2022, excluding any teams already qualified;
- (ii) if the quota place to be reallocated was earned at an FEI Olympic Group Qualification Event (as defined in the Appendix) the quota place will be reallocated to the NOC of the highest ranked team in the overall classification of the relevant FEI Olympic Group Qualification Event, excluding any teams already qualified;
- (iii) if the quota place to be reallocated was earned at the 2022 FEI Jumping Nations Cup™ Final, the quota place will be reallocated to the NOC of the next highest placed team in the overall classification of the 2022 FEI Jumping Nations Cup™ Jumping Final (Final and Challenge Competitions)*, excluding any teams already qualified;

* The host NF(s) of the FEI Jumping Nations Cup Final 2022 and 2023 is only entitled to earn a quota place via the FEI Jumping Nations Cup Final 2022 and/or 2023 provided it has qualified for the Final(s) in accordance with the qualification procedure set out in Article 12 of the applicable FEI Jumping Nations Cup Rules.

A NOC that is reallocated a quota place according to the above procedure shall have a period of two (2) weeks to confirm to the FEI that they accept the quota place. If the NOC does not confirm the quota place, paragraph 1.2 below applies.

If it proves impossible to reallocate a quota place through the reallocation processes under (ii) or (iv) above, the quota place will be reallocated to the NOC of the next highest placed team at the FEI Jumping World Championships 2022, excluding NOCs already qualified with a team;

then, in case the quota of 20 teams cannot be reached by the reallocation process above, to the Composite Team(s), provided that these NOC(s) had the minimum three eligible combinations as of 31 December 2023.

If the NOCs concerned have each withdrawn at the same time, the NOC with the highest ranked Athlete on the FEI Olympic Ranking – Jumping (as defined in the Appendix) shall have priority. In the event of a tie, the FEI will invite the NOCs/NFs concerned to a draw. If an NOC does not have any Athlete on the FEI Olympic Ranking - Jumping, then that NOC shall not be entitled to an Individual quota place.
 - o For the purpose of this process, the term “withdrawal” shall mean either:
