(ii) Cross Country test: clear (0) round or 9, or 11 penalty points on Cross Country Obstacles, not more than 75 seconds over the optimum Cross Country phase time. At CCI5*-L, the maximum time by which the optimum time may be exceeded is 100 seconds;

After the NOCs/NFs' confirmation of team participation and reallocation of withdrawn team quota places (if applicable), the FEI will inform the respective NOCs/NFs in writing of their allocated individual quota places on 1 February 2028. Each NOC with individuals must confirm the use of its quota places by 8 February 2028, as detailed in paragraph **H. Qualification Timeline.**

F. REALLOCATION

F.1. Reallocation of unused Quota Places

1. Unused Team quota places (excluding Host Country places)

1.1 If an NOC does not confirm the NOC Certificate of Capability (as defined in the Appendix) by 10 January 2028, or informs the FEI by 20 January 2028 that it is declining its team quota place, the team quota place(s) will be considered to be withdrawn and will be reallocated as follows:

- The team quota place(s) will be redistributed to the Composite Team(s) (as defined in paragraph 1.4 below (and the Appendix)), provided that the NOC(s) had the minimum three eligible combinations as of 31 December 2027. The NOC(s) of the Composite Team(s) will have a period of one week to confirm to the FEI that they will accept the quota place. If the NOC does not confirm the quota place, paragraph 1.2 below applies.
- If an NOC has declined a team quota place by 20 January 2028 or an NOC has not confirmed the NOC Certificate of Capability by 10 January 2028, then the NOC will not be automatically entitled to be allocated an individual quota place but will remain eligible to obtain one or two individual quota place(s) through the FEI Eventing Olympic Rankings as per the method set out in D.1 above.

For the purpose of this process, the term "withdrawal"/"withdraw" shall mean either:

(i) A written notification by an NOC to the FEI that the NOC declines its team quota place, or
(ii) If an NOC does not confirm its NOC Certificate of Capability by the 10 January 2028 deadline.

1.2 If an NOC withdraws its team quota place after 20 January 2028 or does not submit a valid FEI Certificate of Capability by 12 June 2028, the following will apply:

(i) Where an NOC withdraws its team quota place after 20 January 2028 but on/before 11 June 2028:

(a) The team quota place(s) will be redistributed as a Composite Team(s) quota place to the NOC of the next highest ranked Composite Team not already qualified, provided that the NOC(s) had the minimum three eligible combinations as of 31 December 2027. That NOC will have a period of one week or until 23:59 (Lausanne time) on 12 June 2028 (whichever is earlier) to confirm to the FEI that it will accept the quota place. The NOC must submit the FEI Certificate of Capability to the FEI by 23:59 (Lausanne time) on 12 June 2028.

(b) If a NOC that is reallocated a quota place as per paragraph 1.2 (i) (a) above declines the quota place or does not confirm it by the applicable deadline (as set out above), the team quota place(s) will be further redistributed as (a) Composite Team(s) quota place(s) to the NOC of the next highest ranked Composite Team not already qualified, provided that the NOC(s) had the minimum three eligible combinations as of 31 December 2027. That NOC will have a period of one week or until 12 June 2028 (whichever is earlier) to confirm to the FEI that it will accept the quota place. The NOC must submit the FEI Certificate of Capability to the FEI by 23:59 (Lausanne time) on 12 June 2028. If that NOC declines the quota place or does not confirm it by the applicable deadline (as set out above), no further reallocation to Composite Teams will take place, and paragraph 1.3 below will apply.

(ii) Where an NOC that has been (re)allocated a team quota place does not or cannot submit a valid FEI Certificate of Capability by 12 June 2028, paragraph 1.3 below will apply.

1.3 If the full quota of 16 teams has not been reached following the reallocation of team quota places as detailed above, the unused athlete quota places (three per team) will be reallocated as individual quota places. These places will be allocated to the NOC(s) of the next highest ranked athletes from the overall FEI Olympic Ranking – Eventing, excluding NOCs that have already accepted a team quota place or two individual quota places, and provided that the NOC has at least one athlete/horse combination that fulfils the MERs by the MER Deadline of 11 June 2028; or in the case of a NOC that would be receiving its second individual quota place, provided that the NOC has at least two athlete/horse combinations that fulfil the MERs by the MER Deadline of 11 June 2028. The NOCs must each submit an FEI Certificate of Capability no later than one week after being informed of the allocation of the quota place or before 25 June 2028 (whichever is earlier), provided that all athlete/horse combinations on the FEI Certificate of Capability had achieved the MERs by the MER Deadline of 11 June 2028 (23:59, Lausanne time)

1.4 Composite Teams (defined below and in the Appendix): A three-member team from an NOC. The Composite Team will be selected through the following process:

(i) the respective ranking points of each NOC's top three different athletes in the overall FEI Olympic Ranking – Eventing will be added together to give the cumulative ranking points;

(ii) the NOC with the highest cumulative ranking points will be awarded the redistributed quota place;

(iii) in the event of a tie (i.e. where the cumulative ranking points are the same), the redistributed quota place will be awarded to the NOC with the highest ranked athlete on the overall FEI Olympic Ranking - Eventing. In the event of a further tie, the redistributed quota place will be awarded to the NOC with the second highest ranked athlete on the overall FEI Olympic Ranking - Eventing, and so on. If the tie cannot be broken by following this process, the FEI will invite the NOCs/NFs concerned to a draw.

2. Unused individual quota place

2.1 If an allocated individual quota place is not confirmed by the NOC or is declined by the NOC on/before the confirmation deadline, 8 February 2028, or an NOC that has been allocated an individual quota place declines its individual quota place on/after 8 February 2028 but before 11 June 2028, the quota place will be reallocated as follows:

(i) To the NOC of the next highest ranked athlete in the relevant FEI Olympic Group of the FEI Olympic Ranking – Eventing in accordance with the qualification procedure. If the quota place to be reallocated was originally allocated based on the overall FEI Olympic Ranking – Eventing, the quota place will be reallocated to the NOC of the next highest ranked athlete on the overall FEI Olympic Ranking – Eventing. The NOC that is reallocated a quota place will have a period of one week or until 12 June 2028 (whichever is earlier) to confirm to the FEI that it will accept the quota place. The NOC must submit the FEI Certificate of Capability to the FEI by 23:59 (Lausanne time) on 12 June 2028.

(ii) If the NOC that is reallocated a quota place as per paragraph 2.1 above declines the quota place or does not confirm it by the applicable deadline (as set out above), the quota place will be further redistributed through the overall FEI Olympic Ranking – Eventing.

2.2 If there are any unused or unallocated individual quota places after 12 June 2028, these will be reallocated to the NOC of the next highest ranked athlete(s) from the overall FEI Olympic Ranking – Eventing subject to the following conditions:

(i) The relevant NOC(s) must have at least one athlete/horse combination that fulfilled the MERs by the MER Deadline; or in the case of an NOC that would be receiving its second individual quota place, the relevant NOC must have at least two athlete/horse combinations that fulfil the MERs by the MER Deadline; and

(ii) the NOC must submit an FEI Certificate of Capability no later than one week after being informed of the allocation of the quota place or before 25 June 2028 (whichever is earlier) provided that all athlete/horse combinations on the FEI Certificate of Capability had achieved the MERs by the MER Deadline of 11 June 2028.

2.3. No reallocations will be made by the FEI after the LA 2028 Sport Entries deadline (26 June 2028) has passed.

F.2. Reallocation of unused Host Country Places

Unused host country place(s) will be reallocated to the next highest-ranked eligible athlete in the overall FEI Olympic Ranking – Eventing who is not yet qualified for the Olympic Games, respecting the maximum quota per NOC.
