MAXIMUM ENTRY PER NPC

An NPC may enter a maximum of two (2) eligible athletes per medal event.

QUALIFICATION SYSTEM

An athlete may only obtain one (1) qualification slot for his/her NPC. An NPC may obtain a maximum of two (2) qualification slots per medal event across all Qualification Competitions. The maximum number of events that an athlete may compete in is three (3).

Direct slots may be obtained at the 2022 & 2023 WSPS World Championships, at five (5) Regional Qualification Tournaments and at three (3) WSPS Shooting World Cups in 2022-2024 designated as Qualifiers for the Paris 2024 Paralympic Games, as set out below ("**Qualification Competitions**"). A direct slot may only be obtained if the result is equal to or higher than the Minimum Qualification Score (MQS) in that medal event. Any slot that cannot be allocated due to this restriction will be allocated via the Bipartite Commission Invitation method. Direct slots are obtained in chronological order at each Qualification Competition.

Direct slots are gender-specific or gender-free and qualify for entry in the medal event at the Paris 2024 Paralympic Games in which they were originally obtained. Athletes may enter additional medal events, if they have achieved a Minimum Qualification Score (MQS) in the respective medal events in at least one (1) WSPS Recognised Competition between 1 January 2022 and 15 July 2024.

If any Qualification Competition does not take place, WSPS may identify an alternative competition to designate as a replacement Qualification Competition at its discretion. Any direct slots not allocated by 25 June 2024 will be allocated via the Bipartite Commission Invitation allocation method.

The distribution of direct slots is detailed in the following table (subject to the full details set out below):
