ALLOCATION OF QUALIFICATION SLOTS

MAXIMUM QUOTA ALLOCATION PER NPC

An NPC may qualify no more than one (1) men's team comprising a total of eight (8) qualification slots.

ATHLETE ELIGIBILITY

To be eligible for the entry into the Los Angeles 2028 Paralympic Games, athletes must:

- have entered in at least one sanctioned IBSA Blind Football competition between 1 January 2025 and 2 June 2028;
- be internationally classified in an eligible Sport Class with a Sport Class Status of either (i) Confirmed; or (ii) Review with a Fixed Review Date after 31 December 2028; and
- be licensed on the IBSA Sport Administration System (ISAS) for the year of 2028.

MAXIMUM ENTRY PER NPC

An NPC may enter a maximum of eight (8) eligible male athletes plus two (2) goalkeepers. Goalkeepers are not included in the athlete quota.

QUALIFICATION SYSTEM

Qualification slots will be allocated in the following order:

METHOD	QUALIFICATION	TOTAL
Host Country Allocation	The host country will obtain one (1) team qualification slot for their NPC, subject to that country's participation in a sanctioned IBSA Blind Football men's competition between 1 January 2025 and 2 June 2028. In the case that the host country does not use its slot, the slot may be allocated to the NPC of the highest ranked country (not otherwise qualified) at the 2027 IBSA Men's Blind Football World Championships regardless of region.	8 male athletes
Regional Qualifier Allocation	The top ranked teams in each of the following Regional Qualification Tournaments will obtain a team qualification slot for their NPC as follows: • 2027 European Para Championships, Switzerland - one (1) team • 2026 IBSA Blind Football African Championships, Egypt – one (1) team • 2026 IBSA Blind Football Asian Championships, Japan – one (1) team • 2027 Parapan American Games, Peru – one (1) team. In the case that a region does not host a Qualification Tournament as listed above, any available slots may be allocated to the NPC of the highest ranked country (not otherwise qualified) at the 2027 IBSA Men's World Championships, regardless of region.	32 male athletes
2027 IBSA World Games Blind Football Cup	The top (1) ranked team (not otherwise qualified) at the 2027 IBSA World Games Men's	8 male athletes

Division 1 Allocation	Blind Football Cup Division 1 obtains one (1) team qualification slot for their NPC. For the avoidance of doubt, the slot from the IBSA World Games Men's Blind Football Cup Division 1 will be allocated after the allocation of the slots in all the Regional Championships. So, for example, if the 2027 Parapan American Games is held later in the year than the IBSA World Games, the slot from the 2027 Parapan American Games will be allocated first, and then the slot from the IBSA World Games Men's Blind Football Cup Division 1. In the case that the event does not take place, the slot may be allocated to the NPC of the highest ranked country (not otherwise qualified) at the 2027 IBSA Men's Blind Football World Championships, regardless of region.	
2027 IBSA Men's Blind Football World Championships Allocation	The top two (2) ranked teams (not otherwise qualified) each obtain one (1) team qualification slot for their NPC. For the avoidance of doubt, slots from the 2027 IBSA Men's Blind Football World Championships will be allocated after the allocation of the slots in all the Regional Championships and in the IBSA World Games 2027. So, for example, if the 2027 Parapan American Games is held later in the year than the 2027 IBSA Men's Blind Football World Championships, the slot from the 2027 Parapan American Games will be allocated first, then the slot from the IBSA World Games Men's Blind Football Cup Division 1, and finally the slots from the 2027 IBSA Men's Blind Football World Championship.	16 male athletes
Total		**64 male athletes**
